To all parents

Dear parent/carer

Re: Important information relating to parking

As you are aware, we have continually appealed to everyone to park responsibly when dropping off and collecting children from school. The majority have taken this on board in order to keep children and their families safe. We very much appreciate that it is difficult to find somewhere to park safely in a very short space of time when everyone is so busy. Sadly, there are still some drivers who are less responsible and therefore put convenience before safety.

In an attempt to resolve some of the problems with inappropriate parking, we have been working with the local authority during the summer break and have held a site meeting with senior officers to discuss how this can be addressed. We hope to be able to update you in the near future as to progress and any changes to road markings and/or layout that have been agreed.

In the interim, new posts have been installed along the grassed areas to prevent parking there. Please remember, that parking either wholly or partly on any pavement should be avoided at all times as children and their families quite rightly expect to be able to be safe when walking to and from school.

Yours sincerely

A Nuttall (Miss)
Headteacher
