

12 May 2017

There have been numerous occasions to date leaving me feeling immensely proud to be Headteacher here at LGPS. This week has been another time to add to my list.

Year 6 have been amazing and I would like to personally thank each and everyone of them for their positive attitude, effort, resilience and enthusiasm during their SATs.

Every morning I have been greeted with happy, smiling faces; the children have thoroughly enjoyed their bespoke breakfast club. It's amazing how many slices of toast some children can eat!

The children have worked so hard and tried their absolute best. I am looking forward to receiving their results on 4 July 2017.

Easter Bingo Evening

The total amount raised on the Easter Bingo Evening was a very impressive £482.93!

This is a fantastic amount -Thank you!

Dogs on School Premises

I would like to remind Parents/Carers that dogs are not to be brought into the school grounds, either walking or being carried. The safety of the children is our priority and must not be compromised.

Thank you for your co-operation with this.

Acorns

This week, the children have made the most of the lovely weather by spending lots of time outside.

They have developed confidence in balancing, jumping and landing safely. They have also used their imaginations whilst travelling across the crates to make up stories involving sharks!

Foundation Unit

This week in foundation, we have been looking at the story of the Three Billy Goats Gruff.

We have been talking about the different foods we liked to eat and designed a healthy plate of food for the troll.

Oak Unit

In Oak unit this week the children went to visit Bob in his garden. They looked at a variety of plants and were able to name several. Bob told the children what plants needed to help them grow.

Ash Unit

Ash have been looking at agility this week in P.E. Here are some of our examples of different forms of movement that involve moving quickly in different directions.

Congratulations to This Week's Gold Book Award Winners
