

Weekly News - Foundation & Key Stage 1

3 November 2017

We have had a very busy and productive first week back; the diary for this term is filling up quickly!

Parents Evening

These will take place on Wednesday and Thursday of next week. Please book your place on the new school app at a time that is convenient to you. Alternatively a booking form may be collected from the school office.

Poppies

These will be on sale from Monday along with wristbands, keyrings and friendship bracelets. A small donation will be gratefully received for the Royal British Legion charity.

Children In Need

On Friday 17 November the school will be having an Open Afternoon at 2pm and you are invited to come in and work with your child. To support this charity, the children (and staff!) are allowed to come into school in non-uniform on this day - the theme this year is PJ's and/or spots. Look out for the letter from the School Council early next week!

Apologies are due!

This week's newsletter is a little shorter than usual due to problems with colour copier - full service will be resumed next week.

Photographs and news can still be found on our schools website.

Have an enjoyable weekend.

We have received positive feedback from Parents/Carers regarding the school app.

If you have experienced any problems please call into the school office for assistance.

The App requires an e-mail address to create your account and receive notifications.

Please complete the form online by using the link:
<https://goo.gl/PNk7wG> (please note the link is case-sensitive).

After you have entered an e-mail address, the school office will process the application and you will then receive a link to set your own password. One e-mail address is permitted for each person with parental responsibility.
