

## Weekly News - Key Stage 2

25 May 2018

This half term seems to have flown by as we have been very busy.

We have packed in a lot of learning and not forgetting Y6 and Y2 SAT tests. All our children have worked incredibly hard and the children are now ready for a well-earned break.

I hope the weather blip of today subsides and the beautiful sunny weather returns for the half term holiday. I hope the children make lots of happy memories to add to their memory bank whilst keeping themselves safe in the process.

I am conscious that there are lots of trips and events scheduled for next half term. We will be giving you important dates for your diary in the coming weeks that follow half term.

I look forward to seeing everybody on Tuesday June 5 2018.

Have a good half-term break.

A Nuttall (Miss)  
Headteacher

### Fir Unit

This week Fir Unit have finished their pots by painting them.

We have also written our own chapter about the escape of the Midnight Gang!

## Elm Unit

This week in Elm Unit, we have been investigating how different drinks affect our teeth. We have set up an experiment using egg shells and four different drinks (cola, water, orange juice and milk).

We have placed the egg shells in the drinks and are waiting to see what happens!

## Bay Unit

Year 5 have been creating space pictures in the style of Peter Thorpe.

## Oak Unit

Year 6 enjoyed their visit to Dominos Pizza this week. They had a great time making their own pizza choosing a wide variety of toppings! The box making competition was very popular too.

We have started work on the Year 6 end of year production. All the children now have their roles and are busy learning their lines.
