We are also looking forward to our protesting opportunities to raise money for climate change.

Attendance

Please ensure that your child is on time for school as attendance is vital for your child's education. Remember that even being late to school can effect their education. We understand that children can be ill especially around this time of year but encourage them to be at school when possible.

Handwriting

As handwriting is essential to all aspects of writing we encourage children to practice handwriting at home as well as number formation.

If you could sit with your child and practise handwriting this would help them improve the quality of their writing.

If you have any questions or concerns, please pop in and see us.
