Week beginning 6th December— Mock SATs week

Friday 13th December—Christmas jumper and Christmas dinner day

Friday 20th December—School closes for Christmas holidays

SAVE THE DATE

Attendance

Attendance is vital for your child's education. If your child is away for one day, their learning is put on hold and they have more pressure to catch up. We understand that all children get ill however we'd encourage them to attend school to ensure they reach their full potential in their final year of primary school.

Homework

Starting this term, the children will be expected to complete a piece of maths homework, reading homework, read four or more times and access spelling shed.

If children do not complete the homework, they will be expected to stay in on a Friday dinner time to complete it. This aims to get them ready for secondary school.

Homework will be handed out on a Friday and the deadline for completion will be the following Thursday.

Theme Work

(We'll Meet Again)

The children showed thorough engagement in our WW2 topic last term. They loved learning about the Blitz and why the war started. This term, we'll carry on with this theme including: Winston Churchill, D-Day, rationing and evacuation. Our English work will also be linked to this as we write a diary entry, story with historical setting and a poem using imagery.

Exciting Community Work.

We have teamed up with the local foodbank and moving forward year 6 will have a big drive in collecting food for them on a regular basis. In small groups, the children will then take the food and process it at the local foodbank on a weekly basis.

If you have any questions or concerns, please contact any member of the year 6 team.
