Dear Parents/carers

I hope you are all keeping well and safe.

As we are coming towards the end of week four of partial closure, I would like to take this opportunity to thank you for the support you have given during this time. This is greatly appreciated and indicative of the tremendous humanity that the country is showing during these unprecedented times. We know that families are doing all they can to keep children busy, active and above all, safe. Thank you for the work you are doing to support and look after friends, neighbours and others who need it in the community.

As you will be aware, I am on secondment this term to take up a new role as Interim head teacher at a local school. This will be for the summer term.

Throughout my career, I have been very fortunate to work with some wonderful people, brilliant teachers and highly talented pupils; none more so than here at Lincoln Gardens. It has been a privilege to be part of such an amazing school and although only for a term, I will miss working with such a great group of staff and pupils this summer.

I have always enjoyed coming to work and there is not a day goes by when I do not get to witness the skills and enthusiasm of our pupils in some way or another. It is watching young people grow and develop, achieving their potential, realising their ambitions and becoming responsible young citizens that drives me and it has been a great pleasure to contribute to making this happen for so many of our pupils.

Once it is decided that schools can reopen, we will continue to everything we can to ensure that our pupils achieve well and I can assure you that all at LG will continue to be completely focussed on making this happen. Whilst the government have still not provided us with an open date, staff will be focussed on ensuring that they provide the high standard of education that you as parents would expect, upon return.

I look forward to seeing you all soon and once again I thank you for your support. This is a time for resilience, kindness and patience with those around us. Take care and stay safe.

Yours sincerely

Mrs Goulthorpe  
Deputy Headteacher
