

# Year 3 - Pole to Pole Homework Grid

Topic-based homework tasks are optional and in addition to regular weekly homework. Children can choose to do as many of the tasks as they wish and bring in evidence at any time to earn house points.

Evidence in a digital format can be emailed to [the class teacher](#) using the class email address.

Parents/Carers: Homework is an important part of your child's academic learning. Please support your child with their homework by helping them, sitting with them and showing an interest in what they have been learning.

4 House points	3 House points	2 House points	1 House point
<p><b>English</b> Write a setting description for the polar regions.</p>	<p><b>English</b> Make up a quiz with facts about the Polar Regions. Make sure you also write the answers!</p>	<p><b>Science</b> Make an informational poster about the forces 'push' and 'pull'.</p>	<p><b>Geography</b> Draw the items that you would pack in your suitcase if you were going on a polar expedition.</p>
