

It's hard to believe that we have completed our first half term of this academic year. Time certainly does fly when you are having fun.

I continue to be really impressed by how well our pupils have returned to school following the disruptions experienced due to COVID-19; hope our daily social media feeds confirms this. Pupils at LGPS have a positive mindset and despite school not functioning completely 'normally', all pupils are making the most of the experiences being offered. Our children continue to '**Learn, Grow, Participate and Succeed**' - well done and keep up the good work!

I would like to take this opportunity to formally thank all the staff for their continued hard work and dedication in ensuring that your child's provision is the best that we can offer. At times, this has been very challenging but all the staff have shown great determination and a brilliant team effort, ensuring that our offer hasn't fallen short of our high expectations.

Pupils and staff alike are ready for a well deserved rest. I hope you have a great half term and **I look forward to welcoming the children back on Tuesday 2 November 2021**

Hindu Workshop

Children in years 4, 5 and 6 took part in a Hindu workshop where they learnt more about one of the oldest religions: Hinduism. The children enjoyed trying on the different outfits, exploring different artefacts and asking lots of inquisitive questions to extend their knowledge and understanding.

A big thank you to Mrs Richardson for organising the fantastic workshop.

Class email address

The class emails are still available for you to use should you feel the need to contact your child's class teacher.

To email your child's teacher please using the following email address:

Classname@lincolngardens.net (please ensure you write your child's class name before the @lincolngardens.net)

Harvest and Foodbank Collection

A huge thankyou to everyone who has already donated items for our harvest celebration this year. The collected items will be donated to the Salvation Army Foodbank in Ashby (the community link for year 6).

We are extending the collection of items after half term until Friday 5th November. We would like you to donate any non-perishable food items, such as tinned fruit and vegetables, packets of pastas and bottles of squash.

Class Champions

After completing an application form and securing enough votes from their peers, we are pleased to announce our Class Champions for this year.

They have already attended meetings with Miss Taylor and Miss Nuttall and have started their first job of revamping the whole school dojo shop.
