## History and Geography

In history, we'll look at changes in Britain from the Stone Age to the Iron Age including comparing life across the time and now.

In geography, we'll revisit continents, and look more specifically at Europe and the UK, including topographical features of the Lake District. We'll also look at settlement in early Britain as well as doing some map work.

# Year 3

## Stone Age

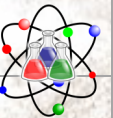

## Science

### Rocks and Soils

compare and group together different kinds of rocks on the basis of their appearance and simple physical properties

describe in simple terms how fossils are formed when things that have lived are trapped within rock

recognise that soils are made from rocks and organic matter

## PSHE & RE

Our PSHE themes this term are 'Dreams and Goals' and 'Healthy Me'.

Our RE theme this term is 'Christianity'.

## Computing

In computing this term, we will learn how to use Publisher to make a poster and how to use the internet safely and effectively.

## PE & MFL:

In French, we'll look at opinions, colours, word order and numbers..
