

# Apples and Pears - Pirates!

Parents/ Carers  
As you know homework is an important part of your child's academic learning. Please support your child by helping them with the tasks on this homework grid.

Your children can pick as many of the homework tasks as they wish to complete. Once they have completed the task they can bring this in to school or you can upload it on to our Tapestry system. It is not necessary for children to complete all tasks however the more tasks they complete the more house points they will receive! They have the whole half term to complete these.

If you have any questions please pop in to see Miss Thorne or Mrs Doughty or any member of the Reception staff team.
