

Superheroes

Subject Specific Vocabulary		Associated Diagram	Sticky Knowledge
Superhero	Someone with superhuman powers that are used to		I can name the key features of a Superhero ie their accessories. Superheroes could wear eye masks, gloves, belts, capes and boots
Costume	Set of clothes and accessories		I can name the 5 senses (hear, smell, touch, sight and taste) and what part of my body it is. Ears help you hear, Eyes help you see, Mouths help you taste, noses help you smell, hands help you touch.
Evil	The opposite of good, someone being unkind		I can explain the difference between a superhero and a villain and use the key words to describe. A Superhero helps people who are in trouble, whereas Villains plot evil things.
Super Powers	An extraordinary power or ability ie invisibility		I can name different technology devices found in the home and at school such as I pads, laptops and mobile phones.
Disguise	Something that changes someone's appearance to hide their identity		I know how to grow a vegetable and understand what is needed to care for it
Invisible	Something that cannot be seen		I understand the difference between healthy foods and unhealthy foods. I know that I can eat healthy foods such as Apples often whereas unhealthy foods such as chocolate are a treat.
Villain	Someone who plots evil things		I can name a variety of fruits and vegetables such as pears, kiwi, carrots and broccoli and the importance of having 5 a day.
Senses	People have 5 senses, hear, touch, taste, smell and sight		
Technology	Includes machinery such as computers, ipads and telephones		
Gadget	Small device or tool
