

Nursery - 'Let's Explore....Space!' Homework Grid

This term we are learning about Space. Over this half term, please could you choose at least 2 things, from different columns to do with your child at home. They can be sent in to Nursery or e-mailed any time before the end of term.

Let's talk about it...	Let's make and do...	Let's have a go....
Can you show a grown up 4 things that start with the sound 'm' and ask them to write them down?	Can you make a rocket picture or model rocket?	Can you think of a question you would like to ask the astronaut Tim Peake?
Can you talk about the stories we have shared at nursery?	Can you paint, draw or make a planet?	Can you put your coat on and do it up all by yourself?
Can you tell a grown up about some of the planets in our Solar System?	Can you draw a picture of an alien?	Can you practise writing your name or some of the letters in your name?

Parents/Carers - we hope you will enjoy taking part in these activities with your child
